

Hello Everyone

Please find below links to online learning you can complete with your families at home. There are sections for each of our subject areas; some suggested by the government and some chosen for you by our teachers. You can also continue to access Education City using the log in provided in the home-school packs. We also encourage you to continue to read everyday with your children.

We hope you are well and staying safe. School is open everyday should you need to contact someone with any questions, just give us a call.

Thank you

A range of resources within different topic areas -
